<b>MINIS</b>	Our Minis classes are best suited to 5-6 yr olds who are at least prep aged and have just started school or who have completed our Preschool classes and are ready to progress.
<b>PRIMARY</b>	Our Primary classes are designed for children 6-7 years or in year 1-2 at school. Age is a guideline only.
<b>JUNIOR</b>	Our Junior classes are designed for children approximately 7-9 years, depending on their experience. Age is a guideline only.
<b>INTERMEDIATE</b>	Our Intermediate classes are designed for children aged approximately 9 years and up, who have some dance experience already. Age is a guideline only.
<b>PRE-SENIOR &amp; SENIOR</b>	Our Pre-Senior and Senior students are designed for experienced and advanced students and age is a guideline only. At these levels experience will dictate the best possible class for each dancer. Novice older dancers are recommended to undertake private tuition before commencing advanced level classes.
<b>COMBINED LEVELS</b>	Our combined levels classes are designed where the class may cross age and ability to suit a broader range of students or cover 2 levels, for ease of parent timetabling and attendance, so that you might attend multiple classes where required.
<b>TROUPE</b>	Troupe (Performance Team) is invitation only rehearsal class for students in our competition and performance team. Troupe students <b>MUST</b> enrol in Classical Ballet class for the required technique and skill to be dancing and performing at advanced or competitive level.
